ACADEMIC BACKGROUND

Engineering in Software Engineering and Decision Support Systems

2022 – Present | International Institute of Technology, Sfax (IIT)

Bachelor in Big Data and Data Analysis - with Honors

2019 – 2022 | Higher Institute of Computer Science and Multimedia, Sfax (ISIMS)

Technical Sciences High School Diploma– with Fair Mention

2019 | Gremda High School, Sfax

PROFESSIONAL EXPERIENCE

Developed an advanced web scraping system for data collection and analysis (summer Internship)

Juil – Aug. 2022 | *Spark-it*

Classified and extracted CV data using Machine Learning (Summer Internship)

Aug – Sep. 2022 | *Djagora*

Developed an IoT Agriculture Platform using MEAN Stack (Final Year Project)

Feb – May. 2022 | *IT Services*

Business Analytics with PowerBI (Summer Internship)

Jul – Aug. 2021 | *Primatec Engineering*

ACADEMIC PROJECTS

Automatic Detection of Kidney Diseases using Deep Learning and Vision Transformer (ResNet50-ViT)

Jun. 2024 | *IIT*

Pizza Ordering and Delivery Management Application (JEE)

Jun. 2024 | *IIT*

Insurance Risk Optimization for Buildings using Machine Learning

Jan. 2024 | *IIT*

Deployed a Laravel web application with MySQL on virtual Ubuntu servers via ESXi hypervisor

May. 2024 | *IIT*

Hotel Reservation Management Application (Laravel - Vue.js - MySQL)

Dec. 2023 | *IIT*

Fast Food Ordering Application (.NET - SQL Server)

Dec. 2023 | *IIT*

Online Sales Application (PHP - MySQL)

May. 2023 | *IIT*

SKILLS

Functional Skills

AI (Machine Learning, Deep Learning) | Full-stack web development | Scrum | Business Intelligence | Web Scraping | Cloud Computing

Soft Skills: Creativity, Teamwork, Communication, Logic

Technical Skills

Programming Languages

C | C# | Python | JavaScript | TypeScript | Java | HTML | CSS | PHP | Dart

Frameworks/Libraries

pd | np | plt | sns | cv2 | bs4 | webdriver(Selenium) | scikit-learn | TensorFlow | Angular | Vue.js | Express js | Flask | Laravel | .NET | Flutter | React | SpringBoot | Docker

Databases

MySQL | SQL Server | Oracle | MongoDB

CERTIFICATIONS

- Java Certification
- Scrum Fundamentals
- Agile Project management (HP)
- Generative AI (LinkedIn)
- Microsoft Azure Fundamentals
- Generative AI with Diffusion Models (Nvidia)
- Data Science & Analytics (HP)
